Letter of Recommendation

To whom it may concern

All our experience with during our one year association with Hashcode Solutions has very professional, positive and to our knowledge they have proved to be attentive, flexible to our requests providing a reliable service and a trusted partner.

I would whole-heartedly recommend them to others as a full service IT Company. It was a delight to work with them, and I look forward to having them back next year for upgradations.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Tomlinson", written in a cursive style.

Mark Tomlinson,

Director, Tomlinson Golf
